

South Gloucestershire Council
Pharmaceutical Needs Assessment Supplementary Statement

This supplementary statement has been prepared and issued by the Director of Public Health on behalf of the Health and Wellbeing Board of South Gloucestershire and forms part of the Pharmaceutical Needs Assessment.

This supplementary statement is issued in accordance with Reg 6(3) of the NHS (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013.

It is the view of the South Gloucestershire Health and Wellbeing Board that the changes to the availability of pharmaceutical services are relevant to the granting of applications and is satisfied that a revised Pharmaceutical Needs Assessment (PNA) would be a disproportionate response. It should be noted that the PNA as a whole is in the process of being refreshed and the updated version will be published Spring 2018, overseen by the Health & Wellbeing Board.
